Custom Card Printing

SMART TRANSACTION SYSTEMS

Important: To avoid extra charges during the card printing process, please make sure artwork is submitted to the specifications listed below AND that the merchant has finalized their design before submitting to us for proofing. Orders that need corrections/changes after artwork has been submitted will be subject to additional fees.
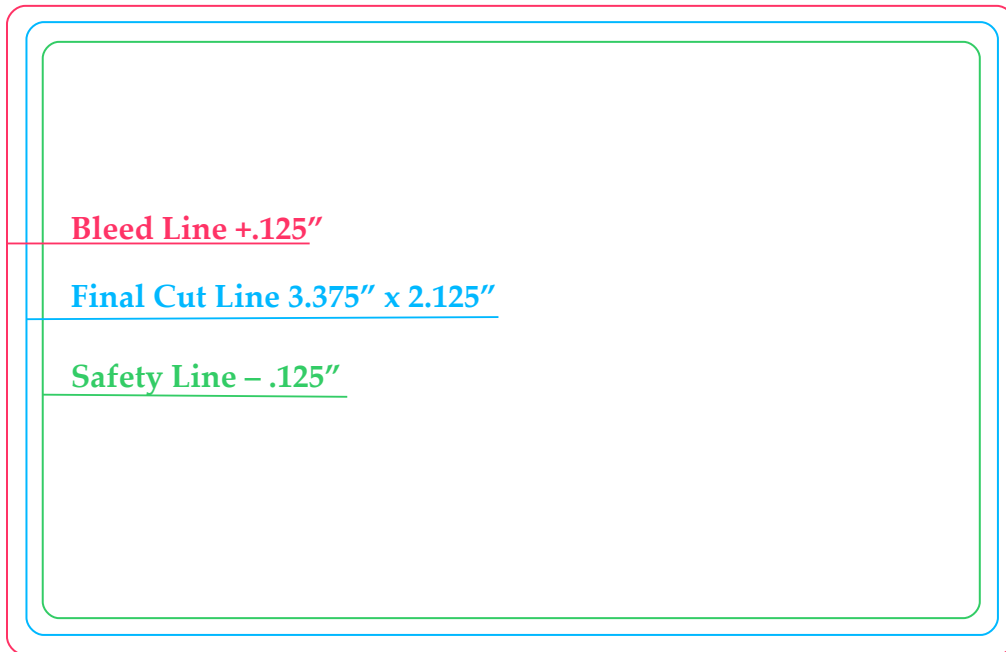

Please Submit Artwork to Maria@SmartTransactions.com   888-494-9760

Artwork Specifications

- Supported formats are: JPG, TIFF, AI, PSD, SIT, EPS, PDF
- Resolution must be at least 300 dpi
- Please include 1/8 inch bleed beyond finish size to allow for accurate crop
- Ensure the artwork is saved in CMYK.
- Text must be at least 6 point type.
- We do not recommend printing logos with fine lines or text smaller than 8 point, as lines may fill in when printed and fonts may not be legible.

Card Front

Final Product Dimensions: 3.375" wide by 2.125" tall
